Francesco came to hospital with his parents.

Что произошло в больнице?

Francesco said goodbye to his mother and father, and then they left. Bill, one of the other boys in his room, said, pointing to a boy on a bed, "That's Rubin. He had an operation this morning, and so he's sleeping a lot today." "Have you ever had an operation?" he asked Francesco. "I will have my tonsils out (удалят гланды) tomorrow," said Francesco. Bill had his appendix taken out.

When Rubin woke up, the three boys talked for a while. Bill remembered something and pushed his button to call the nurse.

"Have you forgotten my tablet?" asked Bill when Mrs Bloom came to the doorway.

"The doctor said you shouldn't have one tonight," she answered. "Does your stomach hurt?"

"No," said Bill.

In a few minutes, Bill was asleep. Francesco missed his parents. But it was good to know that all the hospital workers were there to help his doctor help him. He was glad that Rubin and Bill were sharing his room with him.

"And tomorrow I'll meet some more new friends," he thought, and then he fell asleep.

1. Read the text. Going shopping

Mrs Smith is going shopping with her son. They are looking for a present for Mr Smith's birthday. Mrs Smith wants to buy him a new camera and Tom wants to buy him a jumper.

They drive to the department store on the high street. Mrs Smith uses the escalator to go to the Electrical Department on the third floor and Tom takes the stairs up to the Men's Clothing Department on the first floor.
